**New Rules**

If you haven't already done so, please take the time to familiarise yourself with the new and modified rules that commenced on 1<sup>st</sup> January 2019.

Golf Australia has excellent resources (flyers, videos etc) covering the new rules at the following website:

<https://www.golf.org.au/newrules#videos>

## **Pace of play**

Please note:

- Hit a provisional ball if in doubt as to location of shot.
- Limit time searching for balls to the **maximum 3 minutes** allowed under the new rules (Rule 18.2).
- The new rules also include a recommendation “that you play each stroke in no more than 40 seconds – and usually more quickly than that.”
- It is the responsibility of the lowest marker in each group to ensure their group does not fall behind the group in front, that players play “ready golf” and move quickly between shots. The new rules actively encourage “ready golf” in all Stableford, Stroke Play, and Par competitions.
- If your group has fallen behind, the first 2 players to finish a hole should move to the next tee and hit asap rather than wait for the other 2 players in the group to finish putting out (4 ball groups only).
