Local Rule for balls Lost or Out of Bounds

In the 2019 re-write of The Rules, an optional new local rule for balls **lost or out-of-bounds** was provided. In the interests of a speedy pace of play, the Committee has decided to adopt this rule. **You are encouraged to use this new option where your ball is lost or out-of-bounds.**

As well as the existing option to hit another ball from the same spot (ie; stroke and distance with a one (1) stroke penalty), the new rule provides the alternate option for a player to drop a ball UNDER TWO (2) PENALTY STROKES in a large area between:

1) Ball Reference Point - The point where the ball is estimated to have come to rest or gone out-of-bounds

   AND

2) Fairway Reference Point - The point of fairway of the hole being played that is nearest to the Ball Reference Point but not nearer the hole.

NOTE:
- If a player plays a provisional ball then there is no option to use this local rule for the <u>origina</u>l ball played.

- The local rule can be used for the provisional ball.

- The local rule does not apply where it is known or virtually certain that the ball has entered a penalty area (formerly known as water hazards or other areas defined by the Committee).

A diagrammatic representation of the local rules follows:

Pace of play

The Committee seeks your ongoing support to ensure that our games are conducted within acceptable timeframes and requests that you:

- **PICK UP** if you are not able to score on a hole.

- **HIT A PROVISIONAL BALL** if in doubt as to location of shot.

- Use the **NEW LOCAL RULE** as detailed above **FOR BALLS LOST OR OOB.**

- Limit time searching for balls **STRICTLY TO THE MAXIMUM 3 MINUTES** allowed under the new rules (Rule 18.2). **It is the marker's responsibility to police this.**

- **PLAY "READY" GOLF** and **MOVE QUICKLY BETWEEN SHOTS.**

- Where it is safe to do so **MOVE DIRECTLY TO YOUR BALL** rather than waiting for your partners to play their shots.

- **LINE UP YOUR PUTTS WHILST OTHERS ARE PUTTING** .

- **PLAY EACH STROKE IN NO MORE THAN 40 SECONDS** as recommended in the Rules of Golf.

Please also remember that:

- It is the responsibility of the lowest marker in each group to ensure their group does not fall behind the group in front.

- You can be proactive and politely point out to your playing partners if their slow play is impacting on the group.

- For 4 ball groups only - If your group has fallen behind, the first 2 players to finish a hole should move to the next tee and hit ASAP rather than wait for the other 2 players in the group to finish putting out.
