### Local Rule for balls Lost or Out of Bounds

In last year's re-write of The Rules, an optional new local rule for balls **lost or out-of-bounds** was provided. In the interests of a speedy pace of play, the Committee has decided to utilise this rule for upcoming games. You are encouraged to use this new option where your ball is lost or out-of-bounds.

As well as the existing option to hit another ball from the same spot (ie; stroke and distance with a one (1) stroke penalty), the new rule provides the alternate option for a player to drop a ball **UNDER TWO (2) PENALTY STROKES** in a large area between:

1) Ball Reference Point - The point where the ball is estimated to have come to rest or gone out-of-bounds

AND

2) Fairway Reference Point - The point of fairway of the hole being played that is nearest to the Ball Reference Point but not nearer the hole.

NOTE:

- If a player plays a provisional ball then there is no option to use this local rule for the original ball played.
- The local rule can be used for the provisional ball.
- The local rule does not apply where it is known or virtually certain that the ball has entered a penalty area (formerly known as water hazards or other areas defined by the Committee).

A diagrammatic representation of the local rules follows:

## GOLF'S NEW RULES: STROKE AND DISTANCE

A new Local Rule provides an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds, effective January 1, 2019.

### BALL OUT OF BOUNDS

### LOST BALL

If the Local Rule is in effect, you can still take stroke-and-distance relief, but you now have the following additional option that comes with a penalty of two strokes:

<p><b>A</b> DETERMINE SPOT where your ball went out of bounds (left diagram) or is likely to be lost (right diagram).</p>	<p><b>B</b> FIND NEAREST FAIRWAY EDGE no closer to the hole.</p>	<p><b>C</b> DROP YOUR BALL IN SHADED AREA as defined on one side by a line from the hole through point A and on the other side by a line from the hole through point B, and not nearer the hole. The relief area is extended on both sides by two club-lengths.</p>

This Local Rule is not intended for higher levels of play, such as professional or elite amateur level competitions.

### Pace of play

The Committee seeks your ongoing support to ensure that our games are conducted within acceptable timeframes and requests that you:

- **PICK UP** if you are not able to score on a hole.
- **HIT A PROVISIONAL BALL** if in doubt as to location of shot.
- Use the **NEW LOCAL RULE** as detailed above **FOR BALLS LOST OR OOB.**

- Limit time searching for balls **STRICTLY TO THE MAXIMUM 3 MINUTES** allowed under the new rules (Rule 18.2). **It is the marker's responsibility to police this.**
- **PLAY "READY" GOLF** and **MOVE QUICKLY BETWEEN SHOTS.**
- Where it is safe to do so **MOVE DIRECTLY TO YOUR BALL** rather than waiting for your partners to play their shots.
- **LINE UP YOUR PUTTS WHILST OTHERS ARE PUTTING .**
- **PLAY EACH STROKE IN NO MORE THAN 40 SECONDS** as recommended in the Rules of Golf.

Please also remember that:

- It is the responsibility of the lowest marker in each group to ensure their group does not fall behind the group in front.
- You can be proactive and politely point out to your playing partners if their slow play is impacting on the group.
- For 4 ball groups only - If your group has fallen behind, the first 2 players to finish a hole should move to the next tee and hit ASAP rather than wait for the other 2 players in the group to finish putting out.

**The Committee will be monitoring pace of play at upcoming events to form a view on appropriate penalties to impose if excessively slow play remains an issue.**

### **Handing in of Scorecards**

In an effort to speed up finalisation of the day's results, the Committee requests **all players in the final group on each nine to hand in their cards before putting clubs away.**
